

The Expander ^{14m²}

At Versatile, we understand that Kiwis value the freedom to live life on their terms. That's why we've created a smart range of affordable transportable homes designed to go where life takes you.

Built off-site and delivered fully constructed, our Versapods™ meet Healthy Home Standards and are engineered with a 50-year design life for core structural components.

With fast build times and the freedom to choose where you live, getting into your new home is easier than ever.

The Expander is a versatile space that adapts to your needs, great for overflow accommodation for teenagers, a spacious home office, or a creative studio.
