# The Relaxer 34m<sup>2</sup>

At Versatile, we understand that Kiwis value the freedom to live life on their terms. That's why we've created a smart range of affordable transportable homes designed to go where life takes you.

Built off-site and delivered fully constructed, our Versapods™ meet Healthy Home Standards and are engineered with a 50-year design life for core structural components.

With fast build times and the freedom to choose where you live, getting into your new home is easier than ever.

The Relaxer is an excellent choice for holiday homes, Airbnb, downsizing, or even as farmworker accommodation.
